PROFESSIONAL EXPERIENCE

HR AND STRATEGY SPECIALIST (FREELANCE) | Nadoc Investments Bakery | Oct 2025 – Apr 2026

• Served as HR and strategic business partner for a growing bakery and confectionery business operating across multiple routes, van sales and retail shops.

• Led recruitment and selection, workforce planning and employee support to align people capability with business growth.

• Conducted HR and operations audits, identifying gaps in organisational systems, employee records, policies, processes and operational controls.

• Advised management on labour relations, workplace safety, health and environment compliance and practical people management.

• Developed and supported execution of strategy, sales, marketing and route to market plans across distribution and retail operations.

• Coordinated fleet maintenance, transport and logistics, strengthening service continuity.

• Designed and delivered staff training to improve capability, process adherence and operational effectiveness.

TEAM LEADER AND SPECIALIST TRAINER | EcoCash Holdings (Pvt) Ltd | Aug 2024 – May 2025

• Drove merchant acquisition, client engagement and relationship management across the digital payments platform.

• Conducted market and consumer research to identify high growth opportunities across retail, government and commercial segments.

• Personally acquired and onboarded merchants, expanding the client base and supporting transaction growth.

• Produced marketing performance and business intelligence reports using data analytics to support commercial decisions.

• Designed and delivered product, process and customer service training that improved staff and partner capability and helped customers understand digital financial services.

• Supervised and coached 60 brand ambassadors, setting KPIs aligned to regional sales targets and coordinating field execution.

REGIONAL ACCOUNT EXECUTIVE AND TRAINING SPECIALIST | EcoCash Holdings (Pvt) Ltd | May 2023 – Jul 2024

• Managed a portfolio of 50+ key retail merchants and institutional clients and delivered 60% growth in transaction volumes within 12 months.

• Developed merchant segmentation approaches that prioritised high value accounts and improved resource allocation.

• Conducted structured relationship reviews, identified expansion opportunities and provided business intelligence to clients and internal stakeholders.

• Used Power BI dashboards to monitor relationship health, identify at risk accounts and support proactive retention activity.

• Managed and coached 25 regional team leaders, embedding customer centricity, sales discipline and performance accountability.

• Secured new business across government departments and national retail chains through stakeholder engagement and tailored solution positioning.

• Led sales activations, loyalty initiatives and cross selling campaigns to strengthen retention and market penetration.

• Produced sales forecasts, competitor intelligence and performance reports for strategic decision making.

TRADE MARKETING AND TRAINING OFFICER | Cassava Smartech (Pvt) Ltd | Sep 2016 – Apr 2023

• Led market research and consumer analytics initiatives to inform sales, marketing and customer engagement strategies.

• Developed brand positioning, merchandising strategies and go to market plans based on market insights.

• Facilitated product knowledge and customer engagement training and monitored market trends.

• Tracked campaign performance against KPIs and used customer feedback to improve marketing effectiveness.

• Supported product development and launches, aligning commercial execution with customer needs and sales targets.

• Built strong relationships with retail partners and distribution channels, supporting market expansion.

TALENT DEVELOPMENT OFFICER | Econet Wireless (Pvt) Ltd | Oct 2013 – Jul 2016

• Led recruitment, onboarding and talent development initiatives supporting sales and marketing operations.

• Conducted performance reviews and KPI analysis to identify high performers, capability gaps and development priorities.

• Developed and facilitated training programmes covering CRM systems, service excellence, marketing analytics and role specific capability.

• Supported performance improvement through structured learning, coaching and employee development plans.

HUMAN RESOURCES ASSISTANT | Econet Wireless (Pvt) Ltd | Feb 2011 – Oct 2013

• Managed recruitment and selection processes, employee documentation and HR administration.

• Supported labour relations activities and policy implementation, ensuring consistent HR practices.

• Conducted workforce data analysis and supported HR analytics for performance management and organisational development.

• Contributed to HR compliance and workforce efficiency initiatives.

CUSTOMER CARE CONSULTANT | Econet Wireless (Pvt) Ltd | Mar 2009 – Jan 2011

• Handled high volume inbound and outbound customer interactions, resolving queries relating to accounts, billing, services and upgrades.

• Delivered personalised solutions and follow up support to strengthen customer satisfaction and retention.

• Escalated complex cases appropriately and maintained accurate CRM records for tracking and reporting.

• Supported loyalty and retention campaigns and proactively engaged customers to reduce churn.

• Recognised for strong customer service performance and entrusted with supporting customer service training for new staff.

CONTACT CENTRE OPERATOR | Econet Wireless (Pvt) Ltd | 2002 – 2009

• Provided frontline customer care for enquiries, complaints, service requests and account related matters.

• Handled high volume inbound and outbound calls while maintaining service quality and timely resolution.

• Conducted customer surveys to identify satisfaction trends and service improvement opportunities.

• Supported retention campaigns and proactive customer engagement initiatives.

• Maintained accurate CRM records and collaborated with technical teams to resolve service disruptions and escalations.

• Supported device sales, cold calling and customer research activities, building an early foundation in sales and marketing.

SAFETY, HEALTH AND ENVIRONMENT OFFICER | Omnia Fertilizer | 2000 – 2002

• Established and supported a structured Safety, Health and Environment function, strengthening workplace compliance and operational safety.

• Conducted safety audits and supported teams in maintaining safe working environments and compliance standards.

• Provided practical SHE guidance and awareness to operational employees.
